

Patient Waiting For The Bridegroom

Bm **Em** **Bm** **Em** **Bm** **F#** **Bm**
Patient waiting for the bridegroom: he should be here soon, why the delay?
Count the days to his returning: our hearts are yearning to see the day.

Chorus:

F# **Bm** **F#** **Bm**
Thinking of the wedding when we'll be at his side.
Em **Bm** **F#** **Bm**
Rejoicing in the marriage of Jesus and his bride.

Anxious days of preparation. The celebration will soon begin.
We'll be clothed with truth and beauty, pure and holy; kept for him.

Chorus

We will honor and obey him and stay beside him for evermore.
Light your lamps and rise to meet him, it's time to greet him, he's at the door.
