

Soul's Desire

Chorus:

(G) C Em Am C/G
You are my soul's desire, I was wandering, I was wandering,
F G C
Wandering all my days from my Father's house
C Em Am C/G
From the heights to the depths Love was calling, love was calling
F G C
Calling out to me, just to bring me home.

F G F G
Lord of the earth, the sea, the sky, in glory and power
F G F/A G/B
How can it be that I'm Your child and You're my Father
C Em7 Am F C
So I, oh I, I will exalt Your name again, Most High!
G C
Every way I can.

Chorus

Many will see and hear and trust, in You our salvation
Many will turn and seek Your face, from out of all nations
So I, oh I, I will exalt Your name again Most High!
Every way I can.
